Risk Management Webinar

March 10, 2022 | 10:00am – Noon

NURSING CEUs

The Illinois Health and Hospital Association (IHA) is authorized by the State of Illinois Department of Financial and Professional Regulation (license number 236.000109) to award up to 2.0 hours of nurse continuing education credit for this program.

MAIC INSURED PHYSICIANS

MAIC-insured physicians who attend this program *may* be eligible for a premium discount. A certificate of completion will be mailed at the conclusion of the program.

DESCRIPTION

This program will provide risk managers, nurses, APPs, and physicians with information regarding medical malpractice claim developments and risk management issues affecting providers. Speakers will present current topics and recommend strategies to help reduce liability exposure and improve patient safety.

OBJECTIVES

- Discuss closed claim frequency and severity, COVID-19 claims, update on prejudgment interest, and recent case law.
- Identify the legal medical record at your facility and understand the importance of producing a complete record when involved in a claim or during litigation.
- List risk management actions to take when transfer beds are limited or unavailable, when inpatients and their families request ivermectin administration, and avoidance of EMTALA risks in the ED during COVID-19 surges.
- Acknowledge the risks associated with the use of temporary staff, and identify strategies to mitigate those risks.
- Implement organization-wide processes to reduce risk exposure.
