

# ED Risk Management Webinar

July 11, 2024 | 10:00am – Noon

[Mark E. Cichon, DO,  
FACEP/FACOEP](#)

[Matthew R. Davison, JD](#)

## NURSING CEUS

The Illinois Health and Hospital Association (IHA) is authorized by the State of Illinois Department of Financial and Professional Regulation (license number 236.000109) to award up to 2.0 hours of nurse continuing education credit for this program.

## MAIC INSURED PHYSICIANS

MAIC-insured physicians who attend this program *may* be eligible for a premium discount. A certificate of completion will be mailed at the conclusion of the program.

## DESCRIPTION

This program will provide risk managers, emergency department nurses, APPs, physicians and attorneys with current practices/protocols/processes to reduce diagnostic errors of sepsis in the ED through early identification and treatment, and with information and resources to assist ED staff in navigating the Illinois Mental Health and Development Disabilities Code requirements.

## OBJECTIVES

- Outline the pathophysiology of skin and skin infections
- Identify and correlate skin infections with SIRS and sepsis
- Discuss the involuntary civil commitment process and how legal safeguards apply to emergency room admissions of recipients in a mental health crisis
- Identify how telehealth is utilized in circumstances involving involuntary admission of mental health recipients and the requirements for a valid telehealth certificate

## AGENDA

### 10:00 “Hey, remember that patient you saw yesterday?” Early Identification of Sepsis in the ED

Mark E. Cichon, DO, FACEP/FACOEP (dist)  
Professor – Dept of Emergency Medicine  
Loyola University Chicago – Stritch School of Medicine
