September 2020

The following information is being forward to you from the Loss Control Department of IRMS/ICT. Loss Control Updates are selected to assist with regulatory compliance and provide useful safety and health information.

ICT/IRMS COVID-19 - Loss Control Summary

Since the Coronavirus Pandemic began, there has been a large volume of information provided by OSHA and the CDC to protect employees from COVID-19.

IRMS/ICT has sent a number of Loss Control Letters highlighting some of this important information.

Below are the topics and links to some of those letters as well as links from OSHA and the CDC concerning COVID-19.
