

## **WORKERS' COMPENSATION TRUST & CLAIMS MANAGEMENT SERVICES**

With a specialized focus on healthcare employers, we offer a high-quality coverage program, third-party claims administration and loss control services.

IHA Workers' Compensation Trust offers a range of services to benefit your organization:

- ✗ **Claims Management Services**  
With client-specific cost containment programs, we facilitate prompt compensation decisions and decisive disability management.
- ✗ **Loss Control Services**  
Our on-site inspections and ongoing claims assessments produce effective loss control solutions.
- ✗ **Actuarial Services**  
We simplify the complicated through feasibility studies, determination of self-insurance funding requirements and estimation of year-end accruals.

Reduce exposures  
at your organization  
and control  
potential losses.

## **WHY CHOOSE THE POWER OF IHA?**

Healthcare organizations across Illinois rely on IHA for our top-tier Workers' Compensation services. With our expert knowledge of the state's regulatory environment and healthcare practice patterns, we're well-equipped to help your organization reduce risk and claim expenses.

We bring:

- ✗ A proactive and cooperative claims philosophy
- ✗ An experienced team specializing only in healthcare
- ✗ A 99% client satisfaction rate among members
- ✗ A variety of educational resources so you can successfully manage your workers' compensation program
- ✗ Website resources where you can electronically report claims and access loss data and claims reports
- ✗ Benchmark reports to compare your performance with other healthcare organizations

**99%**  
Satisfaction  
Rate

# 10

## A Track Record of Success

We gauge success by the satisfaction and longevity of our clients, and most have been with IRMS for more than 10 years.

### About Illinois Risk Management Services (IRMS)

IRMS is a leader in third-party administration of claims and risk management throughout Illinois. As an affiliate corporation of IHA, we provide services that are:

- ✗ Designed for insured and self-insured healthcare organizations
- ✗ Customized to meet individual client needs
- ✗ Available on a bundled or stand-alone basis

Our team of professionals offers responsive and tailored expertise to help reduce exposures at your organization and control potential loss.

Your trusted voice and resource

### About Illinois Compensation Trust (ICT)

ICT is a risk-pooling trust for Illinois healthcare organizations that desire a first-dollar or high-deductible program. Member-owned and member-governed, ICT is a successful and mature program that offers:

- ✗ Long-term, high-quality coverage
- ✗ A strong emphasis on loss control
- ✗ Expert claims handling procedures and processes

We're managed by IRMS, an IHA affiliate, which gives us the edge to anticipate and act on changes in healthcare.

### ICT Members Share in Our Success

ICT has distributed \$104 million in dividends to member hospitals since our inception in 1979. Dividends are based on program performance when declared by ICT's Board of Trustees.

Our clients have been with ICT for an average of 34 years. We offer stability in the ever-changing healthcare environment.
